

## 2021 [ Syllabus No 2 ] Info about Music Uploads

Starting with our Competitions or Eisteddfods, we will now be using Music Uploads Management from now on.

[www.musicuploads.com.au](http://www.musicuploads.com.au)

It's contactless, all online, and will help take out the stress of music issues that arise from time to time, Plus they offer Voice critiques and all in one storage location.

As a requirement to enter into the competition you will be required to upload your music via this service," in the given time period" no other options will be given.

The Music Uploads offer this service and include features that will handle our music. This is a low cost paid service, (less than the cost of a USB) and is packaged full of benefits for The Dancers, Parents, Schools and Studio owners, plus us the Event Organisers. You will be required to have a valid "music uploads cloud storage" this will allow you to store your Music, Voice Critiques, and Routine Videos (subject to Videographer) all in one location. Plans are charged per month with a minimum 3 month plan, this works out less than \$1/month. Your data is stored all in one location, and is made to be easily accessible to view or transfer to other participating competitions all over Australia.

- Region Add ons: how the process will work is, for each competition you attend, will need to add the region to your cloud storage account. This will then link the music and voice critiques so they can be transferred from one to the other. The fee for this is per Family, Studio or School is \$2.50, and there is no limit to siblings or students.
- Cloud Storage: If you have already have previously uploaded your music to this service before, you can simply purchase the region add on, and transfer your music over to us, if you are new to this, you need to make sure you have set up the cloud storage account and it is active.
- Check your Music : After you have uploaded your music, you will

need to check them to make sure they are all correct and play to the end. This Gives you the peace of mind, that everything will be go to go on the day.

- Done! No need to stress about your music anymore, because you have had the options to check your music. Just so you know the music you have checked is form our playlist that will be used on the day.
- It's the Responsibility of the competitors to ensure that they have the correct music files uploaded to each routine. You can change or re upload your music files at any time before the cut-off dates, (TBA) this is all done within your storage account, we do not have the option to upload or change your music.
- Support, If you would like some support there are videos located on the support page or you can send a ticket in, and one of the team members will respond to you. DO NOT Post on Social Media , Text or Message any questions to these pages, as the support team will not see them You must send a ticket from the support page so they can offer you some assistance.

After the Competition has finished your critiques will be uploaded to ML Media Centre and this can be accessed from the main dashboard in Music uploads. Please allow 2hrs to 2Days after you have preformed for these to show up in your accounts. There can be times that internet upload speed and access may be out side our control.
